NATIONAL CHAMPIONSHIPS

1 :: The Maryland Terrapins have won more national championships than any other program in the country with 10. From 1995-2001, the Terps captured seven consecutive national titles which is the third longest women's championship streak in NCAA history. In four of those seasons, the Terrapins finished with an undefeated record, something that has only been done four other times, each by a different team. Maryland's nine NCAA championships ranks sixth all-time in women's history.

COACHING STAFF

2 :: Maryland boasts one of the best coaching staffs in the country. Head coach Cathy Reese, entering her second season leading her alma mater, returned the Terps to the national scene in 2007 as they reached the quarterfinals for the first time since 2004.

As a student-athlete at Maryland, the Terps did not lose in her first two seasons and they did not lose until midway through her junior campaign. In all, Reese and the Terps won 50-straight games without a loss. In her playing career, Reese guided the Terps to an incredible 75-4 record. In her first three seasons as assistant coach, the Terps went 65-1. Her total record with Maryland in her first nine seasons was 169-19. Reese was a two-time All-America selection as a player.

Associate head coach Jen Adams is arguably one of the greatest women to ever play the game. She is the all-time NCAA leader in assists and points with 178 and 445, respectively. Both her and Reese played on four national championship teams. She was a three-time national player of the year and was the first-ever winner of the Tewaaraton Trophy. As a senior, she was the national leader in both goals and assists.

Adams was one of five Maryland student-athletes named to the Division I Women's Lacrosse 25th Anniversary Team last April.

Newcomers to the staff this year include Lauri Kenis and Katie Chrest. Kenis helped Virginia to a pair of NCAA finals appearances and also led them to two berths in the ACC finals. She ranks third all-time in Virginia history with 107 caused turnovers.

Chrest, who had a stellar four-year career at Duke, was a three-time All-American and two-time ACC Player of the Year. With the addition of Chrest, the Terrapins are now the only women's lacrosse team in the nation to have two Tewaaraton Trophy recipients on their staff.

ALL-AMERICANS

3 :: Since 1980, a total of 70 Maryland student-athletes have earned All-America accolades with a remarkable 37 of them being recognized more than once in their careers. Current associate head coach Jen Adams became the first-ever recipient of the Tewaaraton Trophy, given annually to the nation's top player. Senior Dana Dobbie was a first team All-American in 2007 and was a finalist for the Tewaaraton as well.

THE PREMIER CONFERENCE

4 :: The Atlantic Coast Conference, year in and year out, is the best women's lacrosse conference in the nation. Since 1990, an ACC team has played in the national championship game 16 out of the last 18 seasons, culminating in 11 NCAA titles.

In 2008, three ACC teams are ranked in the top four in the preseason with Virginia, Duke, and the Terps following top-ranked Northwestern. North Carolina is also in the top 10 coming in at No. 8.

2005 WORLD CUP

In 2005, the International Federation of Women's Lacrosse Associations' World Cup was played in Annapolis, Md. With so many players having ties to the University of Maryland, the World Cup had a distinct Terrapin flavor.

At the championships, which were won by Australia, a total of 13 former and currentTerrapin lacrosse players represented their respective countries. The champion Aussies featured seven Terrapin players, including Jen Adams (2001), Sarah Forbes (1997), Courtney Hobbs (2002), Sonia Judd (2003), Casey Magor (current), Tess McLeod (2004), and Sascha Newmarch (1998). In addition, five members of the American team played lacrosse in College Park. Among them were Quinn Carney (2001), Randall Goldsborough (1996), Kelly Amonte Hiller (1996), Kristin Sommar (2000), and Jess Wilk (1990). Finally, Laura Warren (2004) was a starting attacker for the Welsh team.

On the 12-member All-World Team, seven of those hailed from the University of Maryland. Of the 20 games played at the World Cup in which a Maryland Terrapin was on the roster, a Terp player was recognized as "Player of the Match" nine times. Forbes was named the tournament's "Most Valuable Player" for her efforts for the Aussies. Adams was the leading scorer among all players at the World Cup with 47 points on 21 goals and 26 assists. Her 26 assists set a new World Cup Record.

NATIONAL TEAM EXPERIENCE

Maryland has a rich history of sending its players to the national level with five players currently representing the United States at the Elite and Developmental level.

Quinn Carney (2001) and Acacia Walker (2005) are current members of the Elite team and join a lengthy list of former Terps to don the stars and stripes. They are two of 20 former players that have seen time on the US National Team which includes such alumni as current head coach Cathy Reese, Northwestern head coach Kelly Amonte Hiller, and Alex Kahoe.

Becky Clipp (2007), Katie Doolittle (2007) and sophomore Caitlyn McFadden were named to the Developmental team in August of 2007 which is the second most of any school in the nation.

25TH ANNIVERSARY TEAM

On April 13, 2006, the NCAA announced its Division I Women's Lacrosse 25th Anniversary Team. There were 13 women chosen to the team as 12 student-athletes and one coach were selected to represent the best NCAA women's lacrosse has ever seen. The Maryland Terrapins were extremely well-represented as six women involved with the Terp program were honored. Princeton and Virginia had the next most selections with two each.

Topping the list of student-athletes on the team is Jen Adams who played in College Park from 1998-2001. Adams is the all-time NCAA leader in career assists (178) and points (445) and was a national player of the year selection three times. In 2001, she became the first winner of the Tewaaraton Trophy. Adams holds every single season and career record at Maryland and won four national championships in her time as a Terp.

Also on the team is Kelly Amonte who was a three-time first-team All-American and two-time IWLCA Player of the Year after leading the Terps to a pair of national championships in 1995 and 1996. Sarah Forbes won three national championships, was a two-time first-team All-American and was the IWLCA Player of the Year in 1994. Alex Kahoe is the only goalkeeper on the team as she led the Terps to four national championships from 1997-2000. She was a first-team All-American and IWLCA Player of the Year in 1999 and 2000. Tracy Stumpf was a two-time first-team All-American and guided Maryland to the 1986 national title.

Cindy Timchal was honored as the team's head coach with her eight national championships at Maryland. She was a two-time National Coach of the Year and four-time ACC Coach of the Year. Timchal finished her time in College Park with a 260-46 record and is the NCAA's all-time winningest coach with 336 victories.

SEASON OUTLOOK

TERPS RETURN 73 PERCENT OF SCORING FROM 2007

Maryland, which had the eighth most potent offense in the country in 2007, returns 73 percent of its scoring from last season (320 of the 439 points). Leading the way in 2008 is returning first team All-American Dana Dobbie, who was also a finalist for the Tewaaraton Trophy. The Terps will also have the services of another All-American in Kelly Kasper as well as the leadership of 10 seniors spread throughout every position of the field.

"Our senior class is very strong," head coach Cathy Reese said. "We have a lot of talent returning on both ends of the field."

Not only that, the Terps will have more depth this year than teams in the past.

"We have a lot of depth this season," Reese added. "We will have a lot of people on the bench that we can turn to who can take the field with the team not missing a step."

With experience and playmakers on all sides of the field, Maryland will look to return to the postseason for the 19th straight season and make a run to the national championship that has eluded it since 2001.

ATTACK

Maryland usually features one of the most prolific offenses in the nation and this season should be no different. Returning All-American Dana Dobbie, one of the best scorers in the country, leads the offense that ranked eighth in the country in 2007.

The Terps lost their top scorer in Krista Pellizzi who scored 55 goals and and 21 assists, but the top six producers following her all return to College Park.

"Our attack has a lot of experience returning with Katie Princiotto, Casey Magor, and Lauren Cohen," Reese said. "We have a lot of experience on our offensive end while adding several new faces who will step up and be ready to contribute this season."

Cohen had a breakout year in 2007 with 33 goals and 15 assists after scoring just eight points combined in her first two seasons. Both Cohen and Dobbie have strong one-on-one attacking skills and can create offensive opportunities under pressure.

Princiotto also stepped up in 2007 on the offensive end. She was not a stranger to scoring goals as she recorded 21 as a sophomore in 2006, but last year, she led the Terps with 26 assists while still adding in 19 goals.

The experience on attack does not end there though as Magor is back for her final season at Maryland. She started every game she played in last season and she added 33 goals and 13 assists. Magor was productive in every game, scoring a point in all 20 contests.

DANA DOBBIE

KATIE PRINCIOTTO

CAITLYN MCFADDEN

KATIE PUMPHREY

Maryland will have a lot of depth on attac and will be able to use different schemes ar combinations throughout the season. Ka Faas, a transfer from St. Bonaventure, joir the Terps in 2008 and is the reigning Atlant 10 Co-Offensive Player of the Year aft recording 54 goals and 14 assists in just 1 games last season. With Faas' skills, sh should immediately impact the team on th offensive end.

Other returners for Maryland includ senior Chelsea Kapp, juniors Jenny Collin and Alex Mavris, and sophomore Ali Perkin who all saw time last year. Perkins recorde four goals and six assists, Collins pitched i with two goals, and Mavris had a goal and a assist.

A number of newcomers will also get int the mix on the offensive end with freshme Ellen Cook and Colleen Dawson. The Terp also have a trio of sister combinations a across the field. On offense, it is Taylor an Meredith Zanelotti. Taylor rejoins the team fo the 2008 season while Meredith joins the re and black as a freshman.

"We will have a very balanced scorin attack so all seven of our attackers, no matte the combination, can score," Reese said "I really believe that we have that with thi team. Our offense will be exciting to watch thi season."

MIDFIELD

The midfield will once again be vital to the Terps and is another strong point on the field Two of Maryland's senior captains this year Dobbie and Kasper, anchor the middle of the field. Their experience and skill makes the Terp midfield one of the best in the nation.

Dobbie and Kasper are a devastatin duo. Dobbie, a draw control specialist, ranke fourth in the nation with 3.95 draws per game in 2007. She was named the 2007 ACC Playe of the Year in her first season in the conference with 53 goals and 16 assists. She also causec 24 turnovers and picked up 39 ground balls.

Kasper, an All-American in 2007, is a force everywhere on the field. She was third in points on the team last season with 26 goals and 22 assists and led the team with 31 caused turnovers. She also picked up 28 draw controls and 24 ground balls.

"Our midfield is very strong with Kelly and Dana leading the group," Reese said. "They are leaders on the field by example as they are very strong on both ends, have good stick skills and great field sense."

Another star in the making at midfield is sophomore Caitlyn McFadden. As a freshman in 2007, she started all 20 games and recorded 18 goals and 17 assists. The Phoenix, Md.

native had 29 draw controls, 27 ground balls, and 21 caused turnovers and is a member of the United States Developmental Team.

"Caitlyn is strong and fast in the midfield," Reese said. "She has the confidence and game experience at this level and comes into this season as a leader. She will be up and back on both ends contributing at the midfield."

Sophomore Amanda Spinnenweber will see an increased role for the Terps this year. She played in 17 games last year and notched 10 goals and three assists. Her 10 goals came on just 17 shots for the best shooting percentage on the squad.

A few newcomers that will make their presence known right away are Laura Merrifield from England and Sarah Mollison from Australia, who are both members of their respective country's national teams. The second sister combination for the Terps is Brandi and Brittany Jones. Brandi enters this year as a freshman while Brittany is a junior transfer from Cal Poly.

Reese has a plethera of options to use at midfield and many different combinations could be utilized. Adding more depth to the midfield ranks is freshman Helen McCutcheon.

DEFENSE

Senior captain Katie Pumphrey will lead the Terps defense into the 2008 season.

Pumphrey solidified her spot on the Maryland defense in 2007 as she started 19 of the 20 games she played in. She was fourth on the team with 34 ground balls and 21 caused turnovers.

With Pumphrey as the only returning starter, Maryland will rely on some new faces to step up.

"Our defense is exciting this year," Reese said. "We have several spots to fill and with that, we have seen a lot of great things this fall from many of our players. Our depth defensively is much stronger than it has been. You will see some new faces in there and lots of contributors."

Sophomores Katie Gallagher and Karissa Taylor have both really been stepping up in the offseason. Freshmen Alexcia Niumatalolo and Sara Cooper have also been impressing as well as Mindy Jones and Marie Moorman.

Taylor played an important reserve role for the Terps last year on defense playing in 16 games. She uses her great speed to disrupt her opponents in one-on-one situations.

Others that will be used on the back line include returners Megan Cassara, Maeve McKew, and Maggie Stout. The Terps also add transfers Abby Caso from William & Mary and Megan McGarvey from Ohio to the roster.

"Our defense is fast and extremely atheltic and will be a strength for us in 2008," Reese said.

KELLY KASPER

ALLIE BUOTE

LAUREN COHEN

CASEY MAGOR

GOALIE

A place where the Terps know they can rely on solid play is in the cage with senior Allie Buote returning for her third season as the starter. Last year, she racked up 167 saves for a .469 save percentage.

"As a senior goalie, Allie is stepping up to anchor this defense," Reese said. "Her instruction and communication skills go a long way especially with the younger players. Our defense this year will be fast, aggressive, smart, and composed and Allie will be a big part of that."

Juniors Lynne Cooper and Sarah Sommaripa will back up Buote in goal, both seeing time in four contests in 2007.

The Terps will face six teams that advanced to the NCAA Tournament last season, including four non-conference opponents that qualified for postseason play along with ACC foes Duke and Virginia.

CATHY REESE

SECOND SEASON AT MARYLAND • FIFTH SEASON OVERALL
MARYLAND '98

Former Maryland standout Cathy Reese enters her second season at the helm of the Terrapins' women's lacrosse program after revitalizing a team hungry to return to the national forefront.

Reese returned to her alma mater in 2007 as the head coach and guided the Terps to a 16-4 record, including a first-place finish in the Atlantic Coast Conference at 4-1, earning the conference's Coach of the Year award.

Maryland had bowed out of the NCAA Tournament in the first round the previous two seasons, but Reese's Terps advanced to the quarterfinals for the first time since 2004 and had the most wins since 2003. Included in those 16 wins were a pair against teams ranked No. 1 and No. 2 in the country against North Carolina and Duke, respectively.

Reese's guidance produced more than just team success. Dana Dobbie was a finalist for the Tewaaraton Trophy, given annually to the nation's best player, and was the ACC Player of the Year. In addition, Dobbie along with Becky Clipp, Kelly Kasper, and Krista Pellizzi were named All-Americans.

Reese returned to Maryland after spending her first three seasons as head coach at the University of Denver where she guided the Pioneers to their most successful season in school history in 2006. Denver finished that year with a 16-5 record and rattled off 11-straight wins over the course of 43 days. The 11-game win streak was more victories than the school had seen in an entire season as its eight wins in 2003 was the most in a season for the Pioneers prior to 2006.

For a program that saw limited success since its inception in 1999, Reese proved that she is a winner. With a 4-1 Mountain Pacific Sports Federation (MPSF) record, the Pioneers won its first-ever regular season championship in 2006. For her efforts, Reese was named the 2006 MPSF Coach of the Year. In addition, two of her student-athletes were also given season-ending awards as Denver sweeped the conference accolades. Kristie Leggio was tabbed the Player of the Year and Karen Morton was the Newcomer of the Year.

Leggio, Stephanie Greenlees, and Kelly O'Connell were each recognized as all-regional performers in 2006. It was the first time in program history that a Pioneer student-athlete was recognized by the IWLCA/US Lacrosse committee.

In her three seasons in the Mile High City, 11 student-athletes were named to the All-MPSF Team. Not only did her students excel on the field, but they also achieved in the classroom as Denver student-athletes were named to the Academic All-Conference team 11 times.

Prior to lifting the Denver program to national attention, Reese spent nine seasons in College Park, four as a student-athlete and five as an assistant coach. During that span, the women's lacrosse program had one of the most successful streaks seen in collegiate women's sports history. The Terps won seven national championships in her first nine years on campus. That is the third-longest streak in women's NCAA history in any sport.

When Reese first stepped foot on campus as a freshman, it was impossible to gauge how successful she and the Terps would be. Maryland did not lose in her first two seasons as a student-athlete, and it did not lose until midway through her junior campaign. In all, Reese and the Terps went 50-straight games without a loss. In her playing career, Reese guided the Terps to an incredible 75-4 record. In her first three seasons as assistant coach, the Terps went 65-1. Her total record with Maryland in her first nine seasons was 169-19. The Terps also made the NCAA quarterfinals in 2002 and advanced to the national semifinals in 2003 before Reese took the reins at Denver.

As a student-athlete from 1995-98, she was a two-time All-America selection. As a senior, she was tabbed the NCAA Tournament Most Valuable Player and was the second-leading scorer on that championship team with 58 goals and 25 assists. She finished her career with 140 goals, 77 assists, and 217 points. Her 77 assists is tied for eighth all-time at Maryland and her 217 points is 11th.

Reese graduated in 1998 with a degree in speech communications. She and her husband, Brian, have two children, Riley, who is three years old, and Brody, who was born September 24, 2006. She is pregnant with her third child, a girl, and is due on March 11.

JEN ADAMS

ASSOCIATE HEAD COACH • SECOND SEASON
MARYLAND, '01

Jen Adams came over from Denver with Reese in the fall of 2006 and serves as the associate head coach. Adams served as the top assistant under Reese at Denver for three seasons.

Adams is arguably the greatest collegiate women's lacrosse player in the sport's history. She is the all-time NCAA leader in assists and points with 178 and 445, respectively. She owns every Maryland scoring record as she is the single season and career leader in goals, assists, and points. Like Reese, she played on four national championship teams. She was a three-time national player of the year and was first-ever winner of the Tewaaraton Trophy, given annually to the nation's top player. As a senior, she was the national leader in both goals and assists.

Adams was one of five Maryland student-athletes named to the Division I Women's Lacrosse 25th Anniversary Team last April.

Adams revitalized a Maryland offense in 2007, which scored the most goals in a season since 2001, the last time the Terps won the national championship. Maryland scored 287 times which ranked second in the ACC.

This is not the first coaching stint at Maryland for Adams either as she was an assistant coach under Timchal in 2002 and 2003, helping lead the Terps to the national quarterfinals in 2002 and the semifinals in 2003.

After being hired, Adams said, "I couldn't be more excited to be given the opportunity to return to Maryland. It is an amazing opportunity to come back and work with the incredible student-athletes and staff, and to a place that I love and admire. I thank everyone at Maryland for this opportunity."

LAURI KENIS

ASSISTANT COACH • FIRST SEASON
VIRGINIA '03

Lauri Kenis joined the Maryland staff as an assistant coach in July 2007. Kenis, who was an assistant at Maryland in 2004 and 2005, was a two-time consensus first team All-American defender at Virginia and spent the last two seasons at Denver.

The Pioneers went 16-3 in 2007 and ranked ninth in the NCAA in scoring defense, allowing just 8.86 goals per game. The Pioneers also ranked 17th in caused turnovers per game. In 2006, Kenis' Pioneer defense ranked 13th in the country allowing 8.65 goals per outing as they went 15-5 under Reese who was head coach there for three years.

Kenis aided the Terrapins to a 27-12 record and a pair of NCAA appearances in her first stint as an assistant coach in 2004 and 2005 under Cindy Timchal. In 2004, Kenis guided one of the top defenses in the nation as the Terps allowed just 7.90 goals per game which was tops in the ACC and fifth in the nation. In 2005, the Maryland defense again held opponents under 10 goals per game as it allowed 9.21 per outing.

As a student-athlete, Kenis helped the Virginia Cavaliers to a pair of NCAA finals appearances and also led them to two berths in the ACC finals. The four-year letterwinner was a two-time all-conference honoree while earning NCAA and ACC All-Tournament accolades.

Kenis ranks third all-time in Virginia history with 107 caused turnovers and started every game in her final two seasons in Charlottesville. She was a two-time member of the Virginia All-State team and ranked second on the team in ground balls and caused turnovers in her junior and senior seasons.

KATIE CHREST

VOLUNTEER ASSISTANT COACH • FIRST SEASON
DUKE '06

Katie Chrest, the 2005 Tewaaraton Trophy winner, joined the Maryland staff in September 2007 and serves as the volunteer assistant coach. Chrest, who had a stellar four-year career at Duke, was a three-time All-American and two-time ACC Player of the Year. With the addition of Chrest, the Terrapins are now the only women's lacrosse team in the nation to have two Tewaaraton Trophy recipients on their staff.

Chrest's name is etched throughout the Duke record books as she holds career records with 79 games started, 216 goals, 287 points and 528 shots. She is also third all-time with 71 assists.

On the single season ledgers, her 2005 and 2006 seasons dominate the records as her 70 goals in 2005 and 64 goals in 2006 are first and second while her 96 points in 2005 is also first. As a senior, her 83 points are second while her 26 assists in 2005 are third.

Chrest, a member of the 2007-08 United States Elite Team, was an incredibly accomplished student-athlete while with the Blue Devils. As a junior, she won the 2005 Tewaaraton Trophy, given annually to the nation's best lacrosse player. In addition, she was named ACC Player of the Year, IWLCA and *Inside Lacrosse* first team All-America and Attacker of the Year. She was also tabbed the ACC Tournament MVP while being selected the ACC Player of the Week three times.

As a senior, Chrest was a finalist again for the Tewaaraton Trophy and a first team All-American. In 2004, she was a third team All-American and as a freshman she was named the ACC Rookie of the Year.

While with the Blue Devils, Chrest led the women's lacrosse team to the NCAA Final Four in 2005 and 2006, while leading the Blue Devils to their first ACC Championship in school history in 2005.

Chrest, a native of Hampstead, Md., graduated from Duke in 2006 with a degree in history.

Game 3
March 3, 2007
vs. Duke
18-19

COLLEGE PARK, Md. - Seven players scored multiple goals as the No. 8 women's lacrosse team upended No. 2 Duke, 19-18, on March 3 at Ludwig Field. The Terrapins ended the Blue Devils' 12-game road winning streak that dated back to 2005. Leading the scoring were senior Krista Pellizzi and junior Lauren Cohen who both recorded four goals, which was a career high for Cohen.

Cohen also matched her career high with two assists to establish a new personal best with six points. Junior Dana Dobbie added a hat trick while securing a game-high eight draw controls. Classmate Kelly Kasper had two goals and an assist for the second straight game while adding four caused turnovers and three ground balls. Junior Casey Magor and Katie Princiotto notched two goals and an assist apiece while freshman Caitlyn McFadden posted two tallies.

It was the first win for the Terps against the Blue Devils since 2003, a 9-8 overtime triumph in College Park, and it stopped a four-game skid against their ACC rival.

Maryland opened the game up quickly as it took an early 4-0 lead four minutes in. Five different student-athletes picked up points as each goal was scored by a different Terp.

Duke responded with a three-goal run of its own to cut the deficit to one with 17:12 left in the half. The high-powered combination of Caroline Cryer and Kristen Waagbo started the Blue Devils' run as Cryer notched the goal off of a dish from Waagbo. Leigh Jester and Allie Johnson followed suit with unassisted goals to make it 4-3.

Kasper and Princiotto, who both scored on the game-opening streak, added one more goal each to make it 6-3 midway through the first. The Terps kept the three-goal cushion as it was 8-5 with just over eight minutes left in the half, but Duke closed the gap prior to the break.

Lindsay Gilbride scored with 3:10 left and then Cryer set up Waagbo this time with a minute and a half left to make it 8-7 heading into the locker rooms.

The two teams traded goals for most of the second half but the Terps opened the game up when they went on a 4-0 run to push the lead to 17-12 with just nine minutes remaining in the game. Magor and Cohen notched goals while Dobbie posted two during the run.

Duke wasn't done, however, as it stormed back to score five unanswered goals in just over three minutes to tie the game for the first time, 17-17, with 5:12 left.

Pellizzi notched her final goal of the game at the 3:02 mark and then Cohen came up with the eventual game-winner with just 47 seconds left to give the Terps a two-goal edge. Kasper set up Cohen's goal and got the assist.

Carolyn Davis scored 20 seconds later to cut the lead to one again and Duke got the ensuing draw but was unable to convert it as Maryland hung on for its third win.

For the Blue Devils (4-1, 0-1 ACC), Waagbo recorded a game-high five goals and added an assist. Davis notched four goals while Cryer had three and an assist. Goalie Kim Imbesi was credited with 13 saves.

vs. Brown
6-19

COLLEGE PARK, Md. - The No. 3 Maryland women's lacrosse team improved to 5-0 with a 19-6 win against Brown on March 10 at the Lacrosse & Field Hockey Complex. Four Terrapins recorded hat tricks on the day led by senior Krista Pellizzi with five goals and an assist and junior Katie Princiotto with three goals and three assists.

Maryland controlled the game throughout, allowing just nine shots in each half while peppering the Brown goalie with 54 total shots. The Terp defense shutdown the Bears attack at the end of the game as Brown went the last 21:28 without scoring a goal.

Junior Lauren Cohen dished out a career high four assists on the day to help the Maryland cause. Senior Katie Doolittle and junior Dana Dobbie both added a hat trick as well. Juniors Kelly Kasper and Katie Pumphrey were both credited with four caused turnovers.

Maryland jumped out to a 3-0 lead and held that advantage until Brown scored its first goal with 14 minutes left in the first half. Doolittle scored the game's first goal on a free position and then Pellizzi posted two of her goals in the opening run.

Meghan Markowski got the Bears on the board at the 14:01 mark when she converted a free position to make it 3-1. The Terps responded emphatically, however, and went on a decisive six goal run during the next five minutes. Freshman Amanda Spinnenweber started the Maryland rally when she put a Princiotto pass into the back of the net. Princiotto also scored the next Terps goal and assisted on the third of the run.

Brown fought back before the halftime whistle as it scored the last three goals of the frame to cut the deficit to 9-4. Molly McCarthy had a hand in two of the goals with a goal and an assist.

The Bears sliced into the lead even more after the half as Ali Holland recorded a free position goal to make it 9-5 just three minutes in. Pellizzi and Princiotto recorded two more scores for the Terps before Holland scored again for Brown to cut the deficit to 11-6 with 21:28 to go.

The Maryland defense buckled down after that goal and held Brown scoreless the rest of the way as the Terps ran away with the win. Dobbie scored her three goals in the span of four minutes to propel the offense to the game-ending 7-0 streak. Five different Terps tallied the final goals including sophomore Jenny Collins who recorded her first career tally at Maryland.

Neither team scored in the next seven minutes as a Kelly Kasper shot was saved from point blank range by McBrearty. Weymouth continued the scoring as she notched her second goal of the half with 12:39 followed by another Kalkstein goal to make it 5-0.

Maryland finally got on the board with 5:52 to go in the half as freshman Caitlyn McFadden found junior Casey Magor on a fast break after a UVa shot went wide. The Cavaliers closed out the half with three more unanswered goals to take the 8-1 cushion into the break.

Senior Katie Doolittle added a hat trick while junior Allie Buote recorded nine saves in goal.

Junior Katie Princiotto had a goal and a pair of assists in the win while freshman Caitlyn McFadden dished out two assists. Junior Kelly Kasper had a goal and an assist as well.

Much like Virginia did against the Terps on Tuesday, Maryland jumped out to a 5-0 lead and did not allow the Big Green to score until there was 8:41 left in the first half. Maryland's five goals all came from different players. Kasper notched her goal and an assist in the run while Princiotto recorded her two assists.

Dartmouth rattled off three straight goals after scoring their first to cut the lead to 5-3 with 4:26 remaining in the half. Whitney Douthett had a goal and an assist to lead the Big Green's attack.

Maryland got one more on the board before the halftime break as McFadden hooked up with Dobbie with two and a half minutes left give the Terrapins a 6-3 lead at the break.

The Terps extended their lead after the half as Dobbie scored five minutes in to make it 7-3. Dobbie picked up a loose ball in the fan and fired it past the Dartmouth keeper for the score.

The Big Green responded with two more goals to cut the lead to two again, 7-5, with 22 minutes on the clock, and the score went to 8-6 after Dobbie and Douthett traded goals.

Maryland then went on a decisive four-goal run to seal the win. Dobbie scored again for the Terps and then Doolittle added one of her own to extend the Maryland lead to 10-6 with 11:30 to go in the game.

The Terrapins tacked on another goal 27 seconds later as they won the ensuing draw and then Doolittle scored again on a fast break to push the lead to 12-6 with a little over five minutes left in the contest.

For Dartmouth (3-1), Douthett racked up four goals and an assist while Chiusano added a pair of goals. Julie Wadland was credited with 13 saves in the losing effort.

COLLEGE PARK, Md. - Four Terrapins established new career highs as the No. 4 Maryland women's lacrosse team defeated No. 13 Johns Hopkins, 22-15, on March 21 at the Lacrosse & Field Hockey Complex. Leading the way for the Terps was junior Lauren Cohen who scored a career-high six goals and classmate Allie Buote who saved a personal-best 14 shots.

Junior Dana Dobbie racked up a career-high nine points in the win on six goals and three assists, also a personal best. She recorded a season-high 11 draw controls in the game as well. Junior Casey Magor notched a career-high three goals and matched her best game of five points.

Maryland jumped on the Blue Jays early in the game scoring the first three goals and nine of the first 10 over the course of the first 11:34. After Dobbie scored the first Terps goal on an assist from Magor 57 seconds in, the ensuing draw flew towards the Maryland offensive third of the field. Cohen scooped it up and found Magor quickly on the right side to make it 2-0. Dobbie then notched the third goal of the game when she one-timed a loose ball in front of the cage past the goalie.

Hopkins put an end to the quick game-opening run when Sarah Walsh found Alex Nolan for a score at 26:57. The Terps responded with a six-goal run that built an eight-goal lead that proved to be too much. There were five different scorers during the run. Cohen had two of the goals while Magor recorded a goal and an assist. Dobbie notched her hat trick during that span just 10:01 into the game.

The Blue Jays came back with three unanswered goals to make it 9-4 midway through the opening half. Mary Key had two of the goals while Walsh dished out a pair of assists in the run. The Terrapins were able to increase their lead even more before halftime, however, as they took a 14-7 cushion into the locker room.

The seven goal lead would also be the end result as the teams traded goals throughout the second half. The Terps opened up their largest lead of the game when Dobbie found a cutting Katie Doolittle for a goal to make it 17-8 with 17:34.

Hopkins cut the lead to six a couple of times in the half but could not make the run that it needed. Lauren Schwarzmann and Key put on a three-goal run in 3:25 to cut the deficit to 18-12 with 8:35 to go. Schwarzmann had two goals while Key had the third and assisted on the first. The only other time the Blue Jays got within six was with 47 seconds left.

For the Blue Jays (4-2), Key registered five goals and three assists while Walsh had four assists to go with a goal. Schwarzmann tallied a hat trick in the loss while Alex Nolan and Sam Schrum both had a pair of goals. Cherie Michaud picked up six ground balls.

Junior Kelly Kasper added two goals and three assists for the Terps while freshman Caitlyn McFadden had two goals and a helper. Doolittle posted a pair of goals and senior Krista Pellizzi had a goal and an assist.

COLLEGE PARK, Md. - The No. 4 Maryland women's lacrosse team used a balanced attack and 13 saves from junior Allie Buote to take down previously unbeaten No. 1 North Carolina, 8-6, on March 24 at Chevy Chase Bank Field at Byrd Stadium.

Buote was one off of her career high for saves that she established on Wednesday against No. 13 Johns Hopkins. Two of those saves came on wide open chances for the Tar Heels with under two minutes to go. Junior Dana Dobbie recorded two goals and an assist while freshman Caitlyn McFadden also notched a pair of goals. Junior Kelly Kasper had a goal and an assist.

The pace was slow from the opening whistle as both Maryland and North Carolina worked the offense diligently to find a quality shot. UNC finally reached the back of the cage at the 25:50 mark in the opening half when Chrissy Rude converted a free position opportunity. Kristen Taylor then won the ensuing draw and found Christina Juras for Carolina's second goal in nine seconds.

The Terps quickly responded as McFadden weaved her way through the Tar Heels defense to put Maryland on the board at the 25:09 mark. Junior Kelly Kasper then found a cutting Casey Magor down the middle to tie the game up, 2-2, with 24:28 still to go.

The two teams did not find the back of the net again until 10 minutes later when Kasper tallied an unassisted goal midway through the half to give Maryland its first lead of the game with 14:31 left.

The Heels came back and deadlocked the game again when Rude found Juras for a score four minutes later. Jenn Cook won the ensuing draw for the Heels but UNC eventually committed an unforced turnover to give Maryland the ball. The giveaway provided McFadden and the Terps with a fastbreak. McFadden cradled the ball for three-fourths of the field and beat the Carolina keeper to give the Terrapins a 4-3 edge heading into halftime.

Maryland opened the second half by scoring the first two goals to push its lead to 6-3, a lead it would never relinquish. Dobbie scored the first of her two second half goals just 50 seconds in and then senior Katie Doolittle found the top left corner at a difficult angle at 20:26.

Jenn Russell connected on a free position for the Tar Heels but the Terps tacked on two more goals to take its largest lead of the day, 8-4, with 13:12 left in the game. After the Russell goal, Dobbie won the next draw and set up senior Krista Pellizzi on a break for the goal just nine seconds after the UNC tally. Dobbie put the game away with Maryland's final goal. After she was fouled on the left side, Dobbie snuck a shot past an unsuspecting UNC goalie.

Kristen Taylor scored North Carolina's final two goals with a little over 11 minutes left, but the Maryland defense held and the offense effectively stalled in its third of the field to take the win. Buote came up with two important saves down the stretch as she kicked away a free position with 1:52 to go and then stopped a point-blank shot with 50 seconds left to keep the Heels at bay.

Taylor had two goals and an assist for North Carolina (8-1, 1-1 ACC) while Juras also had two goals. Rude notched a goal and an assist while Kristen Hordy was credited with eight saves in a losing effort.

COLLEGE PARK, Md. - The No. 3 Maryland women's lacrosse team forced 18 first half turnovers and scored on 12 of its first 22 shots to defeat Stanford, 15-7, on March 28 at the Lacrosse & Field Hockey Complex. Junior Allie Buote was credited with 11 saves in the win, her third-straight game with over 10 stops.

Buote has saved 10 or more shots in three-straight contests before as she also did it back in 2006. Senior Krista Pellizzi led the Maryland offense with five goals and an assist. Her five goals matched her career high. Junior Dana Dobbie recorded three goals and an assist while classmate Lauren Cohen notched two scores and a helper. Junior Katie Princiotto was credited with three assists.

The Maryland defense forced a season-high 27 turnovers by the Cardinal with 11 of them caused by the Terps. Senior Becky Clipp led the Terrapins with three caused turnovers and four ground balls. Senior Katie Doolittle and Dobbie also forced a pair of miscues. Stanford was just 14-for-27 on clear attempts, or 52 percent, which is a season-low for an opponent this season. Four of Stanford's seven goals came on free position opportunities.

Pellizzi jump started the Terrapins' offense as she scored three of the first four goals for the Terps and recorded a hat trick in just 12:26. Maryland opened the game with an 8-1 run overall. Kasper found Pellizzi for the first score of the game just 28 seconds in and then Pellizzi scored on her own two minutes later. After Cohen found Doolittle to make it 3-0, Jamie Nesbitt converted on a free position to cut the lead to 3-1 with 20:09 on the clock.

Maryland then rattled off five unanswered goals to take a commanding 8-1 lead. Princiotto found a cutting Pellizzi from behind the cage to start the run and then Princiotto helped junior Casey Magor score her first of two goals five minutes later to push the lead to 5-1 at the 12:45 mark. After Laura Shane saved Magor's first attempt at goal, Princiotto pushed the ball to Magor with three Stanford players around her and Magor put the ball in uncontested.

Dobbie then scored two of her goals consecutively and Cohen capped off the run with an unassisted tally with 8:43 to go in the first half. Lauren Schmidt then connected on another free position to make it 8-2, but Maryland scored four more before the halftime break to push the lead to 10. Doolittle capitalized on a late Stanford turnover and scored with no time left on the clock for Maryland's final first half goal.

Stanford came into the second half and scored the frame's first two goals as Nesbitt and Schmidt found the back of the net to cut the deficit to eight, 12-4. That is as close as the Cardinal would get as Maryland pushed its lead back to 10 with a pair of goals just 10 seconds apart at the 24:21 mark to make it 14-4.

COLLEGE PARK, Md. - Senior Krista Pellizzi scored with four seconds left in the third overtime to lead the No. 5 Maryland women's lacrosse team past No. 11 Princeton, 13-12, on Senior Night at Ludwig Field. Pellizzi's game-winner was her career-high sixth of the day and 50th of the season.

Pellizzi also added two assists for eight points, also a personal best. She converted three of her four free position attempts of the night. Junior Dana Dobbie contributed with a hat trick and an assist while also causing five turnovers, securing five draw controls, and picking up four ground balls. Classmate Lauren Cohen dished out three assists.

After an even first half in which the teams were tied 5-5, Princeton gained the early edge in the second by scoring the first goal as Kathleen Miller scored on an unassisted tally a little less than two minutes in. The Tigers did not hold the lead for long as Pellizzi won the next draw and found junior Kelly Kasper for a score 30 seconds later to tie the game at 6-6.

Princeton eventually built an 8-7 advantage with 23:38 left in the game but Maryland scored twice in a row to take its first lead since the 3:29 mark in the first half. Dobbie found the back of the cage for her second goal of the game and then Pellizzi connected on her third free position to give the Terps the 9-8 lead with 19:50 to go.

The Tigers came roaring back, though, and scored three unanswered goals to retake the lead, 11-9. Princeton put an end to the Maryland run by scoring 23 seconds after Pellizzi's free position. Kristin Schwab collected the draw and then got credit for an assist when she found Holly McGarvie for the score to make it 9-9.

The two teams went scoreless during the next eight

minutes before Katie Lewis-Lamonica converted a free position opportunity with 11:38 left in the game to give the Tigers a 10-9 lead. The Tigers continued their run 30 seconds later when McGarvie set up Kathleen Miller to make it 11-9, the first multi-goal lead of the night for either side.

Following a Maryland timeout, the Terps started to regain momentum as freshman Caitlyn McFadden won the first draw. A minute and a half later, the Terps put an end to the Princeton run as Pellizzi found Dobbie for a goal to make it 11-10 at the 9:34 mark. That was Dobbie's 50th goal of the season as well.

McFadden then scored her lone goal of the game five minutes later to tie the game with just 4:42 to go in regulation. Cohen was credited with the assist. Pellizzi gave Maryland the lead again on an unassisted goal a little over a minute later to make it 12-11 with 3:27 remaining on the clock.

Dobbie won the ensuing draw for the Terps but Maryland eventually turned the ball over to Princeton. Kasper returned the favor as she forced Lewis-Lamonica into an error, returning possession to the Terps. As the Terps tried to run down the clock, they turned it over again and the Tigers converted it into the game-tying goal. With 55 seconds left, Miller scored on a breakaway to make it 12-12, the 11th tie of the game.

Kasper won the opening draw of the extra session and Maryland was able to fire off a pair of shots. Junior Casey Magor had an attempt go high, but Cohen nailed the left post, missing the game-winner by inches. Caitlin Reimers picked up the loose ball following the shot, but Princeton only got one shot off as time expired that sailed wide.

The Terps' defense held again in the second overtime as Princeton spent the entire time with possession. Miller won the only draw of the frame and the Tigers steadily went through their offense. The visitors got just two shots off in three minutes as Lewis-Lamonica shot wide with 12 seconds left and then junior Allie Buote came up big with a save as time expired on Lewis-Lamonica's second attempt at goal.

Princeton won the draw in the third extra session but Lewis-Lamonica turned the ball over with 1:25 left. Maryland cleared but the offense turned it over back to Princeton. Miller, with her five goals on the night, raced down the field and cleared the ball. She continued her run to the goal, but junior Katie Pumphrey slapped her stick and jarred the ball loose, picking up the ground ball to end the Tigers' threat.

Maryland cleared the ball with 14 seconds left and Kasper handled it with under 10 on the right side behind the cage. Kasper made the easy pass to Pellizzi to the left side and she found an opening as she made a move around the cage. She slipped a shot between the goalie and the pipe with four seconds left to lift the Terps to the victory.

NCAA FIRST ROUND

COLLEGE PARK, Md. - Senior Krista Pellizzi scored five goals as the No. 5 Maryland women's lacrosse team defeated No. 12 Yale, 13-7, in NCAA First Round action at Ludwig Field on Mother's Day. The Terrapins' defense held the Bulldogs to just two first half goals and the Terps held a 17-5 advantage in draw controls. Maryland advances to play No. 2 Pennsylvania on Saturday, May 19 at 1:00 p.m. at Franklin Field in Philadelphia.

Junior Kelly Kasper added three goals and two assists while Tewaaraton finalist Dana Dobbie added a pair of goals, one assist, and seven draw controls. Junior Allie Buote was strong in the cage, saving 10 shots on the day.

Maryland (16-3), the fifth seed in the NCAA tournament, advances to play No. 2 Pennsylvania (15-1), the fourth seed, on May 19 at Franklin Field in Philadelphia. The Quakers beat Boston University, 11-5, this afternoon.

From the opening draw, the pace was slow as both offenses searched for the best shots on net. The Terps struck first nearly 10 minutes into the game when Dobbie used a pass from freshman Caitlyn McFadden for her 51st goal of the year.

The nation's leading goal scorer, Lauren Taylor, responded quickly when she netted Yale's first goal of the afternoon 1:24 seconds later. She fired a free position shot just below the crossbar for the equalizer. Just over a minute later, the Terps scored again when Pellizzi tallied her first score of the day to make it 2-1, a lead Maryland would never give up.

At the 16:50 mark, Dobbie controlled the ball behind the Yale net and found Kasper sitting on the right side of the goal all alone. Kasper connected for the score to make it 3-1. Taylor scored the only other first half goal for the Bulldogs with 12:09 to go, but Maryland snuck a goal in before the half when Pellizzi used a Kasper pass to score with 30 seconds left. The Terps took a 4-2 lead into the half.

Maryland started the second half on fire by scoring the first three goals and six of the first seven to build an insurmountable 10-3 lead. Senior Katie Doolittle got things going when she scored 41 seconds in and then Pellizzi and Kasper added two more unassisted goals to extend the lead to 7-2 at the 18:17 mark.

Marya Myers ended the Terps' streak with a goal for the Bulldogs at 16:58, but Dobbie, Kasper, and Pellizzi all converted free position opportunities for the 10-3 advantage.

Yale added three of the next four goals to get within five, 11-6, with 8:03 left in the game, but junior Casey Magor sealed the win for the Terps with a pair of goals 17 seconds apart.

Taylor led Yale (13-4) with four goals while Myers added two of her own. Ellen Cameron was credited with 13 saves in a losing effort.

NCAA QUARTERFINALS

PHILADELPHIA, Pa. - No. 2 Penn (16-1) used five unanswered goals to begin the second half and held on for a 9-7 win against No. 5 Maryland (16-4) this afternoon in an NCAA quarterfinal match up at Franklin Field. Junior Allie Buote was credited with 10 saves and classmate Lauren Cohen had two goals and an assist while Casey Magor chipped in with a pair of goals.

Buote and the Maryland defense ignited the Terrapin offense to a quick 4-0 lead to open the game. The Quakers won the first draw of the game but senior Becky Clipp forced a turnover that led to a Maryland fast break. On the break, senior Katie Doolittle spotted an open Lauren Cohen who snuck a shot into the top left corner.

The Terps added their second goal of the game after a Penn yellow card in the midfield. On the reset, freshman Caitlyn McFadden ended up with the ball on the left side of the field. McFadden found a wide open Dobbie, who started the play, on the right side and bounced a shot past the goalie for the 2-0 lead.

At the 20:29 mark, Clipp cleared the ball into the Maryland offensive third and decided to take it all the way for the score, her first of the season. Junior Casey Magor followed up with a free position goal to give the Terps the four goal lead with 18:52

to go in the half.

Buote made save after save from point-blank range in the cage as she racked up five saves in the first nine minutes to keep the Quakers off the board.

The Quakers put an end to Maryland's streak and put together three unanswered goals of their own to climb right back into the game. Allison Ambrozy notched the first Penn goal at the 16:54 mark on an unassisted tally and then Rachel Manson scored off of a dish from Becca Edwards nearly 10 minutes later to cut the lead in half.

Meliisa Lehman scored another unassisted goal for Penn with 4:43 on the clock to get the Quakers within a goal. Magor then put the lead back to two for the Terps as she put away a pass from Cohen to make it 5-3 at the 3:31 mark, a lead Maryland would take into halftime.

The Quakers defense buckled down in the second half and Penn used a five-goal opening run to take an 8-5 lead with 14:17 to go in the game. The Quakers used five different goal scorers during that span with Chrissy Muller scoring a goal and adding an assist.

Cohen put an end to the Maryland drought when she fired a shot past the goalie to the left side for the Terps' first score since the 3:31 point in the opening half.

Ali DeLuca pushed the Penn lead back to three goals when she scooped up a ground ball after Kelly Kasper forced it out of her stick. DeLuca got the loose ball and drove right to the cage from the right side for the score with 9:43 to go.

Kasper got the Terps within two with just over four minutes on the clock after she was fouled at the top of the fan. Kasper drove straight to the goal on the reset, and slipped a shot over the goalie for the score. Penn was able to hold the ball in their offensive third the rest of the way to seal the 9-7 win.

Penn (16-1) will play the winner of Syracuse and Northwestern next Friday at Franklin Field. The Quakers were led by Edwards who had two goals and an assist and Ambrozy and Muller who both had two goals.

TERPS' COACHING IMPACT

The University of Maryland has a long-reaching impact on the sport of women's lacrosse, primarily because of the significant number of players the program has sent into the coaching ranks. Twenty former Terrapins are now on the sidelines as coaches. From the West Coast, where Michele Uhlfelder (Maryland, '91) leads Stanford, to the Midwest where Kelly Amonte-Hiller (Maryland, '96) has led Northwestern to three-straight national titles, to the East Coast where Alexis Venechanos (Maryland, '01) was recently appointed as head coach at UMass, the Terps continue to make their mark in the sport.

ALL-TIME TERP GREATS

The 2002-2003 athletics year was a special one in Atlantic Coast Conference history as the league marked its 50th anniversary. As part of the golden celebration, the conference named all-time teams from each of the sports it sponsors. The ACC has a short but rich history in women's lacrosse as half (11) of the 22 NCAA championships have been won by current ACC schools – with 10 of those being won by Maryland. Needless to say, when the list of the ACC's 55 all-time best players was released at the end of 2002, it was dotted with Terrapins. Sixty percent of the team – or a total of 33 players – were from the University of Maryland, a reflection as strong as any of the tradition that is Maryland lacrosse.

2008 MARYLAND WOMEN'S LACROSSE

THE UNIVERSITY OF MARYLAND

DEEP ROOTS, BROAD IMPACT

Charles Benedict Calvert founded the Maryland Agricultural College in 1856 with the goal of creating a school that would offer outstanding practical knowledge to him and his neighbors and be "an institution superior to any other."

One hundred and fifty years later, the University of Maryland has blossomed from its roots as the state's first agricultural college and one of America's original land grant institutions into a model of the modern research university. It is the state's greatest asset for its economic development and its future, and has made its mark in the nation and the world.

Calvert would be astounded by the depth and breadth of research activities, innovative educational programs, and the single-minded pursuit of excellence that are part of the University of Maryland today. Maryland is ranked 18th among the nation's top public research universities by *U.S. News & World Report*, with **31 academic programs in the Top 10 and 92 in the Top 25.** It is also ranked No. 37th in the world, according to the Institute of Higher Education at at Shanghai's Jiao Tong University.

Maryland is **the state's premier center of research and graduate education and the public institution of choice for undergraduate students of exceptional ability and promise. The faculty includes three Nobel laureates, six Pulitzer Prize winners, a three-time Emmy Award winner, 40 members of national academies and scores of Fulbright scholars.** The university focuses great attention on the highest academic standards, affordability for all qualified students, and a President's Promise program that guarantees opportunity for extraordinary extracurricular and professional experiences for each student.

It has earned a national reputation for its enriched educational experiences for undergraduates, including such widely imitated living/learning programs as College Park Scholars; Gemstone, a unique program that brings teams of students together from across disciplines to tackle specific technical problems; and the Hinman CEO Entrepreneurship Program, sponsored jointly by the A. James Clark School of Engineering and the Robert H. Smith School of Business, and widely recognized as the most successful student entrepreneurship program in the nation.

These programs are guided by outstanding faculty whose accomplishments in research abound. Whether the issue is Mideast peace, cutting-edge research in nanoscience, homeland security or bioscience advances, Maryland faculty are selected for national leadership and are making news. Many recent major faculty initiatives receiving significant external support strengthen our homeland security endeavors—centers for research on agrosecurity and emergency management; intermodal freight transportation security; behavioral and social analyses of terrorism and responses to terrorism; astrophysics and advanced world climate and weather prediction; and a national Center for Advanced Study of Language.

In addition to its academic prowess, Maryland is also home to the Terrapins, whose athletic achievements are a perennial source of pride for nearly 250,000 alumni and residents of the state. In 2005-2006, the Terrapins brought home national championships in four sports — men's soccer, field hockey, competitive cheer and women's basketball — more than any university in the nation.

In 2004, Maryland's School of Music hosted the National Symphony Orchestra in its first university residency, and its 2006 opera production was declared by the *Washington Post* music critic "... as good as any Bohème you are likely to see this side of the Metropolitan Opera or Covent Garden."

Whether aiming for the skies or pioneering journalism programs in China, the University of Maryland is surging ahead. Building on the work of outstanding faculty and students, and with the loyal support of alumni and friends, Maryland is moving aggressively and confidently to a decade that will shine brighter than any other in its history.

DR. C.D. MOTE

UNIVERSITY PRESIDENT
CALIFORNIA '59
NINTH YEAR

In September 1998, C. D. (Dan) Mote, Jr. began his tenure as President of the University of Maryland and Glenn L. Martin Institute Professor of Engineering. He was recruited to lead the University of Maryland to national eminence under a mandate by the state. Since assuming the presidency, he has encouraged an environment of excellence across the University and given new impetus to the momentum generated by a talented faculty and student body. Under his leadership, academic programs have flourished. In 2005, the University was ranked 18th among public research universities, up from 30th in 1998. President Mote has emphasized broad access to the university's model, enriched undergraduate curriculum programs and launched the Baltimore Incentive Awards Program to recruit and provide full support to high school students of outstanding potential who have overcome extraordinary adversity during their lives.

He has spurred the university to lead the state in the development of its high-tech economy, especially in the information and communication, bioscience and biotechnology, and nanotechnology sectors. President Mote has greatly expanded the university's partnerships with corporate and federal laboratories and successfully negotiated to bring to the College Park area the first Science Research Park sponsored by the People's Republic of China. Under his leadership, the University has established a research park, The University of Maryland Enterprise Campus, M-Square, located on a 115-acre site adjacent to the University of Maryland/College Park Metro with 3 million square feet of development potential. Among its first tenants are the Center for Advanced Study of Language, a joint venture of the University and Department of Defense, and the National Oceanic and Atmospheric Administration's new World Weather and Climate Prediction Center.

During President Mote's second year in office, the University began the largest building boom in its history, with more than $100 million in new projects breaking ground that year. New facilities address every aspect of university life, from the arts to recreation to classrooms and laboratories, and, in creative partnership with the private sector, new residential facilities. Highlights of the construction activity include the stunning Clarice Smith Performing Arts Center; the Comcast Center, a state of the art sports complex; a high tech research greenhouse; and new classrooms for chemistry, computer science, business and engineering. President Mote also led the development of a new Facilities Master Plan for development in the next 20 years, which is noted for its emphasis on environmental stewardship.

Dr. Mote is a leader in the national dialogue on higher education and his analyses of shifting funding models have been featured in local and national media. He has testified on major educational issues before Congress, representing the University and higher education associations on the problem of visa barriers for international students and scholars and on deemed export control issues. He has been asked to serve on a high level National Academies Committee appointed at the request of the Senate Energy Subcommittee of the Senate Energy and Natural Resources Committee to identify challenges to United States leadership in key areas of science and technology and to be a member of the Leadership Council of the National Innovation Initiative, an activity of the Council on Competitiveness. He has served as vice chair of the Department of Defense Basic Research Committee, and is a member of the Council of the National Academy of Engineering. In 2004-2005, he served as President of the Atlantic Coast Conference. In its last ranking in 2002, "Washington Business Forward" magazine counted him among the top 20 most influential leaders in the region.

Prior to assuming the Presidency at Maryland, Dr. Mote served on the University of California, Berkeley faculty for 31 years. From 1991 to 1998, he was Vice Chancellor at Berkeley, held an endowed chair in Mechanical Systems and was President of the UC Berkeley Foundation. He led a comprehensive capital campaign for Berkeley that raised $1.4 B. He earlier served as chair of Berkeley's Department of Mechanical Engineering and led the department to its number one ranking in the National Research Council review of graduate program effectiveness.

Dr. Mote's research lies in dynamic systems and biomechanics. Internationally recognized for his research on the dynamics of gyroscopic systems and the biomechanics of snow skiing, he has produced more than 300 publications, holds patents in the U.S., Norway, Finland and Sweden, and has mentored 56 Ph.D. students. He received the B.S., M.S. and Ph.D. in mechanical engineering from the University of California, Berkeley. President Mote has received numerous awards and honors, including the Humboldt Prize awarded by the Federal Republic of Germany. He is a recipient of the Berkeley Citation, an award from the University of California-Berkeley similar to the honorary doctorate, and was named Distinguished Engineering Alumnus. He has received two honorary doctorates. He is a member of the U.S. National Academy of Engineering and serves on its Council, and is a member of the American Academy of Arts and Sciences. He was elected to Honorary Membership in the ASME International, its most distinguished recognition, and is a Fellow of the International Academy of Wood Science, the Acoustical Society of America, and the American Association for the Advancement of Science. In Spring 2005, he was named recipient of the 2005 J. P. Den Hartog award by the ASME International Technical Committee on Vibration and Sound to honor his lifelong contribution to the teaching and/or practice of vibration engineering. In Fall 2005, he received the 2005 Founders Award from the National Academy of Engineering in recognition of his comprehensive body of work on the dynamics of moving flexible structures and for leadership in academia.

He and his wife of over 40 years, Patricia Mote, have two married children, Melissa and Adam, and four grandchildren. Patsy Mote has continued her strong support of the arts and is spokesperson for the Clarice Smith Performing Arts Center and a member of Prince George's County Arts Commission.

DEBORAH A. YOW

DIRECTOR OF ATHLETICS • 14TH YEAR AT MARYLAND

Deborah A. Yow is in the 14th year of her outstanding tenure as director of athletics at the University of Maryland, a tenure that has seen unprecedented success and achievement in Maryland athletics. In Yow's 13-plus years at Maryland, the Terrapins have won a remarkable 15 national championships and graduated student-athletes at an enviable rate as Maryland athletics has soared to sustained new heights among the nation's elite intercollegiate athletic programs.

The comprehensive success of Terrapin athletics under Debbie Yow's leadership is a clear and compelling testimony of her values of excellence, teamwork and accountability.

Likewise, her prior election to the presidency of the National Association of Collegiate Directors of Athletics is an indication of the wide respect with which she is regarded among its 6,100 members representing 1,600 colleges and universities in the U.S. and Canada.

She has been honored by Street and Smith's Sports Business Journal as one of the 20 most influential people in intercollegiate athletics and she has received the Carl Maddox Sport Management Award presented by the United States Sports Academy for excellence in athletics administration.

Dr. Yow was selected to serve on the U.S. Department of Education's Commission on Opportunities in Athletics to review the status of Federal Title IX regulations. She recently served as the chair of the Atlantic Coast Conference Committee on Television. The committee is charged with overseeing the league's TV contracts and dealing with issues related to television, including multi-year ACC football and basketball contracts with ABC, ESPN, ESPN2 and syndication entities. In January 2008, she will become a member of the Board of Directors of the National Football Foundation.

Additionally, she has represented intercollegiate athletics with presentations in a number of prominent settings such as the Harvard University School of Law conference on "Shaping the Future of Collegiate Athletics" and the Street and Smith's Sports Business Journal "National Forum on the Direction of Intercollegiate Athletics" in New York. She was also recently inducted into the State of Maryland Women's Hall of Fame and the North Carolina Sports Hall of Fame, joining fellow Terp Buck Williams as honorees.

Yow, who has served on the NCAA Management Council and the NCAA Division I Budget Committee, is a strong and steady voice on behalf of intercollegiate athletics in America.

Since taking over as AD at Maryland in 1994, she and her staff have:

- Transformed Terrapin athletics into a responsive, goal oriented organization with 27 sports and more than 70(student-athletes.
- Balanced all 13 of the department's annual budgets (none o the budgets were balanced in the 10 years prior to her arrival). The budget has now reached $56 million annually anc the multi-million dollar accumulated operating debt which her administration inherited has been eradicated.
- Greatly enhanced the academic support services provided for student-athletes, with an enviable exhausted eligibility graduation rate of approximately 85 percent for student athletes at Maryland.
- Led the Terrapins to a national all-sports ranking in the upper 7 percent of all NCAA Division I institutions.
- Significantly expanded marketing and fund-raising efforts on behalf of Terrapin athletics. As a result, private gifts to athletics have increased over 350 percent and corporate sponsorship revenues have increased by over 300 percent during her tenure at Maryland.
- Continued to dramatically improve venues and facilities for the department's 27 teams. The Comcast Center for men's and women's basketball and other sports that use the facility is a prime example of the remarkable upgrade of athletic facilities.
- Implemented a strategic management model.
- Developed a comprehensive Internet strategy with management, marketing and fund-raising applications.
- Significantly improved customer care in every area of Maryland athletics.

IN DECEMBER OF 2004, DEBORAH A. YOW WAS NAMED ONE OF THE 20 MOST INFLUENTIAL PEOPLE IN COLLEGE ATHLETICS BY *STREET & SMITH'S SPORTS BUSINESS JOURNAL.*

Yow congratulates one of the members of the Maryland Competitive Cheer team that won the 2006 NCA Division I National Championship.

The most recent achievements of Maryland athletics are exceptional:

- Maryland captured a remarkable six national championships during the past two seasons.
- In 2006, the Terrapins achieved the highest student-athlete graduation rate in the history of Maryland athletics.
- Fundraising for Maryland athletics set a historic mark of $31 million in 2006-07.
- Maryland was selected by U.S. News & World Report as one of the Top 20 athletic programs in the nation (for overall quality and competitive excellence).
- In 2005-06, Maryland Athletics won the inaugural PRISM Award as the most well-managed Division I collegiate athletics program in the nation.
- Maryland was ranked as the sixth-finest athletic program in the nation by the Laboratory for the Study of Intercollegiate Athletics, based on comprehensive criteria such as graduation rates, financial efficiency, equity effectiveness and competitive excellence.
- In men's basketball, the Terps won the Atlantic Coast Conference title over Duke in the championship game in 2004 and won the NCAA National Championship in 2002. Under Coach Gary Williams, the men's basketball team appeared in 11 consecutive NCAA Tournaments and in 12 of the last 14 tournaments.
- Women's basketball won the 2006 NCAA National Championship under head coach Brenda Frese, completing an amazing turnaround that saw the program go from a 10-18 record to a National Championship in four seasons.
- In football, the Terps won the 2001 Atlantic Coast Conference championship and played in the 2002 Orange Bowl, followed that with an 11-win season and a 30-3 victory over the University of Tennessee in the Peach Bowl, again followed by a 10-win season and a 41-7 win over West Virginia in the Gator Bowl on New Year's Day 2004. In the 2006-07 season, Maryland returned to the bowl scene, where the Terps beat Purdue, 24-7, in the Champs Sports Bowl. Graduation rates in football are exemplary and the program was recently recognized by the American Football Coaches Association for its academic excellence under Coach Ralph Friedgen.
- Additionally, Maryland is one of only nine universities to win the National Championship in football and men's basketball and is one of only three universities in the nation to win National Championships in men's basketball, women's basketball and football. Stanford and UCLA are the only other NCAA Division I institutions to achieve that mark.
- Set an ACC single-game record for women's basketball attendance by drawing 17,950 to a regular-season game at Comcast Center and led the ACC in season attendance.
- Hired Dave Cottle, the third-winningest active men's lacrosse coach in the U.S., who guided his team to the NCAA Final Four in his second year.
- Field hockey earned National Championships in 2005-06 and in 2006-07, and has become a perennial participant in the Final Four in that sport.

Dr. Yow with Boomer Esiason (left), Bonnie Bernstein (center) and Steve Francis (right).

- In women's lacrosse, hired Cathy Reese, who was named the 2007 ACC Coach of the Year in her first season as coach of the Terps.
- Men's soccer has appeared in four Final Fours in the past five years and won the NCAA National Championship.
- Football facilities have been significantly enhanced with team house, stadium and practice field upgrades. The Academic Center was the first improvement, as it took priority over all other initiatives.
- The Terrapins have moved into the $130 million Comcast Center, housing athletic department offices and seating for 18,000 fans for basketball and other events – part of a remarkable $250 million upgrade and expansion of athletics facilities during Dr. Yow's leadership of Maryland Athletics.
- In 2006-07, 24 Maryland teams competed in postseason play.
- The productivity, morale, and the competitive and academic achievement of Terrapin athletics are exceptional and continue to gain momentum.

Regarding the many achievements of Terrapin athletics over the past 13 years, Yow says, "We are pleased, but we are not satisfied... our vision is to be one of the Top 5 programs in the nation consistently... we see no reason to settle for less."

Yow is known for her goal-oriented and proactive management style. She consistently inspires and challenges those around her to "raise our sights and sharpen our tools... to work hard and work smart... to recognize that our only limitations are those that we place upon ourselves."

As a manager and a leader, she clearly models these principles. She is the only known current AD in NCAA Division I who has hired both the National Coach of the Year in football (while at Maryland) and the National Coach of the Year in men's basketball (while at Saint Louis University). In 2002, she also brought to the University of Maryland Brenda Frese, who at that time was the National Coach of the Year in women's basketball. Four years later, Frese led the Terrapins to the NCAA National Championship at the Women's Final Four in Boston.

Dr. Yow is known as "a coach's AD," while also being highly organized and a strategic and proactive leader and administrator. Quite simply, Debbie Yow personifies the relational and management dynamics that are necessary to be an excellent administrator and leader.

A successful former basketball coach at the University of Kentucky and University of Florida, she moved into athletics administration at the University of Florida and the University of North Carolina, Greensboro, followed by a successful tenure as AD at Saint Louis University.

She has authored numerous articles and books on athletics management and human behavior, and is a respected leader in intercollegiate athletics in the United States.

Summing up the entire Maryland athletics program, our athletics director recently stated, "We have the finest student-athletes, coaches, support staff and administrative team in America. It is because of their courage, hard work and cooperative spirit that we now have a strong, viable athletic program. I am immensely proud of each of them. I am equally proud of our Terrapin fans who buy tickets, our Terrapin Club members who faithfully support the Maryland athletic program with their donations for scholarships, and the M Club members who serve and give liberally. We are also blessed with a terrific President, Dr. Dan Mote, who has fostered a mindset of excellence across our institution. He is a strong and balanced advocate for what he calls 'the three A's of the University -- Academics, the Arts and Athletics'. We have a great Terrapin family. That's the foundation for all of our success... and the basis for our bright future. It's a great time to be a Terp."

ACADEMIC SUPPORT AND CAREER DEVELOPMENT

The University of Maryland is committed to providing the highest quality education to all of its students. The Department of Intercollegiate Athletics strives to provide student-athletes excellent opportunities to participate in an intercollegiate athletics program of the highest quality, with the result that their athletics participation becomes an integral and valued component of their total educational experience at the university.

Terrapin student-athletes will find that the same hard work and discipline that has earned them success in athletics competition is also required in the classroom. Balancing the significant time demands and responsibilities required to be a successful student-athlete at the highest collegiate level is no small task. Therefore, as a result of their commitment to representing the university through athletics, Terrapin student-athletes are able to utilize support programs designed to meet their specific needs.

Led by associate athletics director Anton Goff, the mission of the Academic Support and Career Development Unit (ASCDU) is to provide quality developmental programs and need-based services that will enhance academic progress, facilitate career development, and encourage the psychosocial growth of all UM student-athletes. **Jessica Myers** works with the Maryland women's lacrosse team.

The Gossett Academic Support and Career Development Center for Terrapin student-athletes, named for long-time Terp supporters Barry and Mary Gossett, is located in the Comcast Center. It features a study center that includes 25 desktop computers, a tutoring center, a classroom, a CHAMPS/Life Skills resource room and individual offices for professional academic counselors, a director of enrichment programs, an assistant program coordinator and a graduate assistant. In addition, a new academic wing was added to the Gossett football team house recently. It features offices for two counselors, a program coordinator and three learning specialists; as well as a quiet study area, 29-desk computer lab, classroom, tutor rooms and classroom/lab for the individualized learning program.

Academic courses, programs and services offered by ASCDU include the following:

- Student-athlete orientation
- Academic counseling
- NCAA academic eligibility monitoring
- Academic enrichment and career development presentations and workshops
- Accredited tutorial support
- Individualized learning program
- EDCP 108-K (College learning strategies and skills)
- EDCP 108-M (Math learning strategies and skills)
- UNIV 100 (First-year transitions to the university)

MARYLAND GAMEPLAN

The Maryland Gameplan is intended to assist graduating Terrapin student-athletes as they begin the job search process. It is distributed to more than 500 corporations and businesses across the country, in addition to being featured on the M Club website. Prospective employers are introduced to our graduating student-athletes with resume information relative to academic, career and personal achievements. The Maryland Gameplan directory is produced annually in collaboration with the M Club.

CAREER NETWORKING NIGHT

Because career development is an ongoing process, ASCDU provides a variety of programs for student-athletes throughout the year. Professional assistance with resume- writing, interviewing skills, graduate school search and job search is readily available to all student-athletes. During the spring semester ASCDU hosts the Career Networking Night, where student-athletes can learn about career interests and career planning. Unlike typical "job fairs," the purpose of this program is to allow student-athletes to explore multiple career opportunities by speaking directly to individuals in their chosen areas of interest. Employers at the Career Networking Night recognize the marketable qualities student-athletes have gained through athletic participation. Student-athletes learn about opportunities for internships and full-time jobs.

STUDENT-ATHLETE ADVISORY COMMITTEE

The Student-Athlete Advisory Committee (S.A.A.C.) plays an important role in the Department of Intercollegiate Athletics. It consists of two representatives from each varsity sport and meets on a regular basis with representatives from the athletic administration. The S.A.A.C. mission is to enhance the total student-athlete experience by developing leadership skills, promoting student-athlete welfare and fostering a positive student-athlete image on the Maryland campus, local area and nationally.

CHAMPS/LIFE SKILLS PROGRAMS

ASCDU houses the NCAA's (National Collegiate Athletic Association) CHAMPS/Life Skills Program. The ASCDU staff, in collaboration with various other Department of Intercollegiate Athletics' units and campus resources, strives to provide a systematic personal development program designed to reach each student-athlete based on his or her individual needs. The focus of the program is on the individual academically, athletically and emotionally, and on the changing needs and skills of that individual in the years during college and after graduation. The menu of presentations, workshops and seminars is a comprehensive and balanced system of "life learning" programs promoted for use by each varsity sport team.

Highlights of the CHAMPS/Life Skills Programs:

- Support efforts of every student-athlete toward intellectual development and graduation
- Use athletics as preparation for success in life
- Meet the changing needs of student-athletes
- Promote respect for diversity among student-athletes
- Enhance interpersonal relationships in the lives of student-athletes
- Assist student-athletes in building positive self-esteem
- Enable student-athletes to make meaningful contributions to their communities
- Promote ownership by the student-athletes of their academic, athletic, personal and social responsibilities
- Enhance partnerships between the NCAA, member institutions and their communities for the purpose of education
- Encourage the development of leadership skills

ACADEMIC SUPPORT FOR RETURNING ATHLETES PROGRAM

The Academic Support for Returning Athletes Program was created in 1986 to support the academic efforts of former varsity student-athletes at the University of Maryland, College Park. In 1989, ASRAP was assigned by the President's Office to the Academic Achievements Program and enrolled 40 students that year. As a member of the National Consortium for Academics and Sports (NCAS), the University of Maryland is committed to assisting its former athletes with degree completion. A key component of the program is community outreach. Each returning student completes a "workship" that allows the cost of tuition and fees to be exchanged for community services with youth. In 2002, ASRAP moved into the ASCDU.
